

Preserver for **Allied Health**

Patient visit notes with GPS verification for home visits.

Why **Allied Health** Need Preserver

Allied health professionals conducting home visits need proof of attendance and a record of what occurred. Preserver pro...
Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. Allied Health professionals need proof — not promises.

How Preserver Helps

- ✓ GPS-verified home visit proof of attendance
- ✓ Session notes with automatic timestamps
- ✓ Patient progress records over time
- ✓ Voice notes for hands-free documentation during visits
- ✓ Incident documentation with location evidence

The Insight

Every allied health professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all allied health professionals who need proof of when and where.
