

Preserver for Bookkeepers

Receipt capture, expense notes and meeting records with
timestamped evidence.

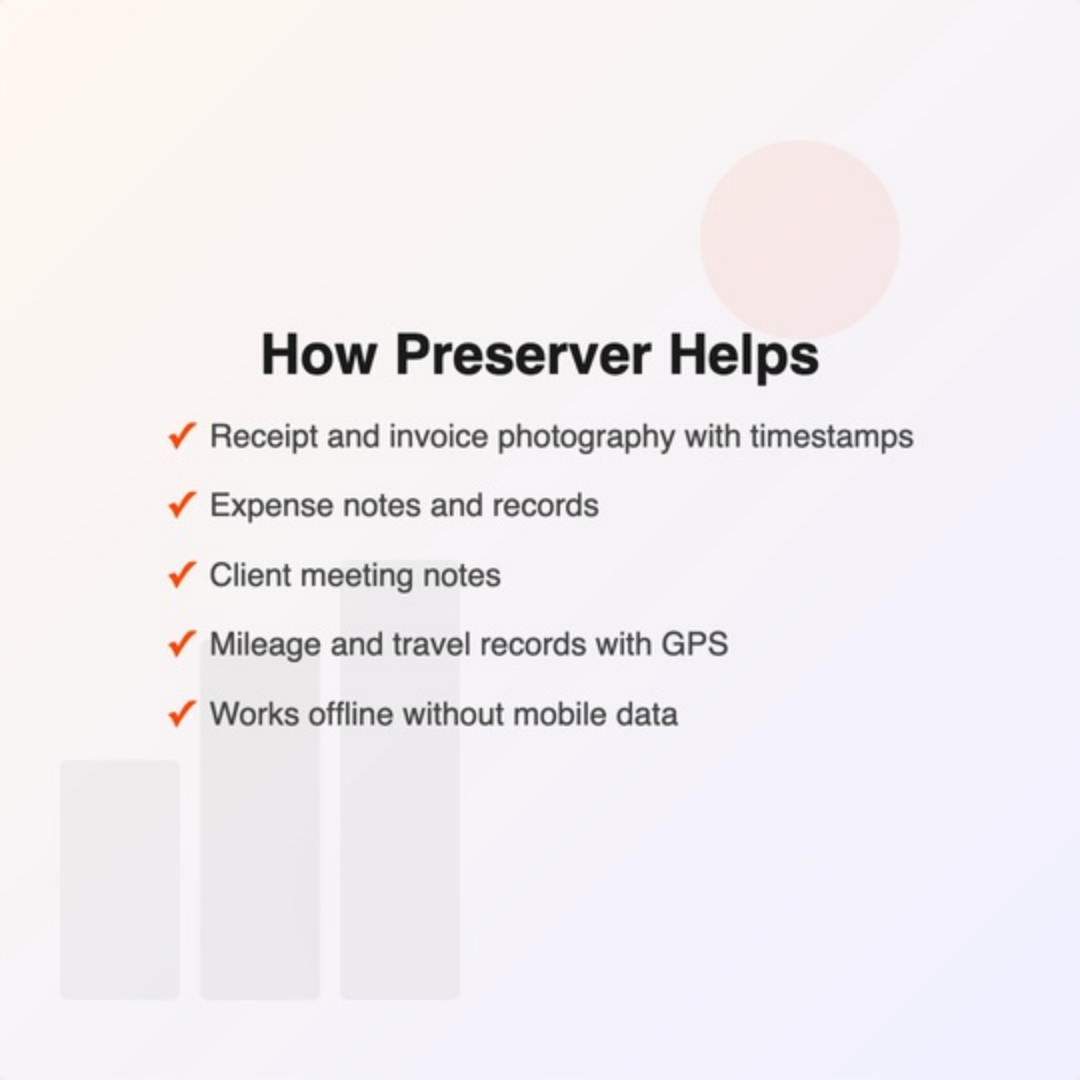

Why **Bookkeepers** Need Preserver

Receipt capture and expense documentation benefits from timestamped photos with GPS. Preserver provides a simple, private... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. Bookkeepers professionals need proof — not promises.

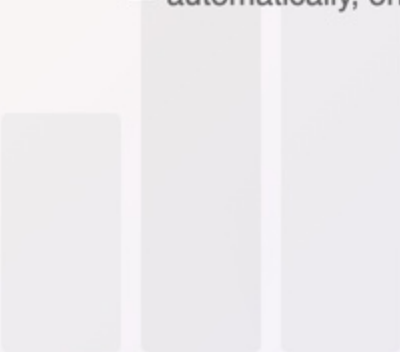

How Preserver Helps

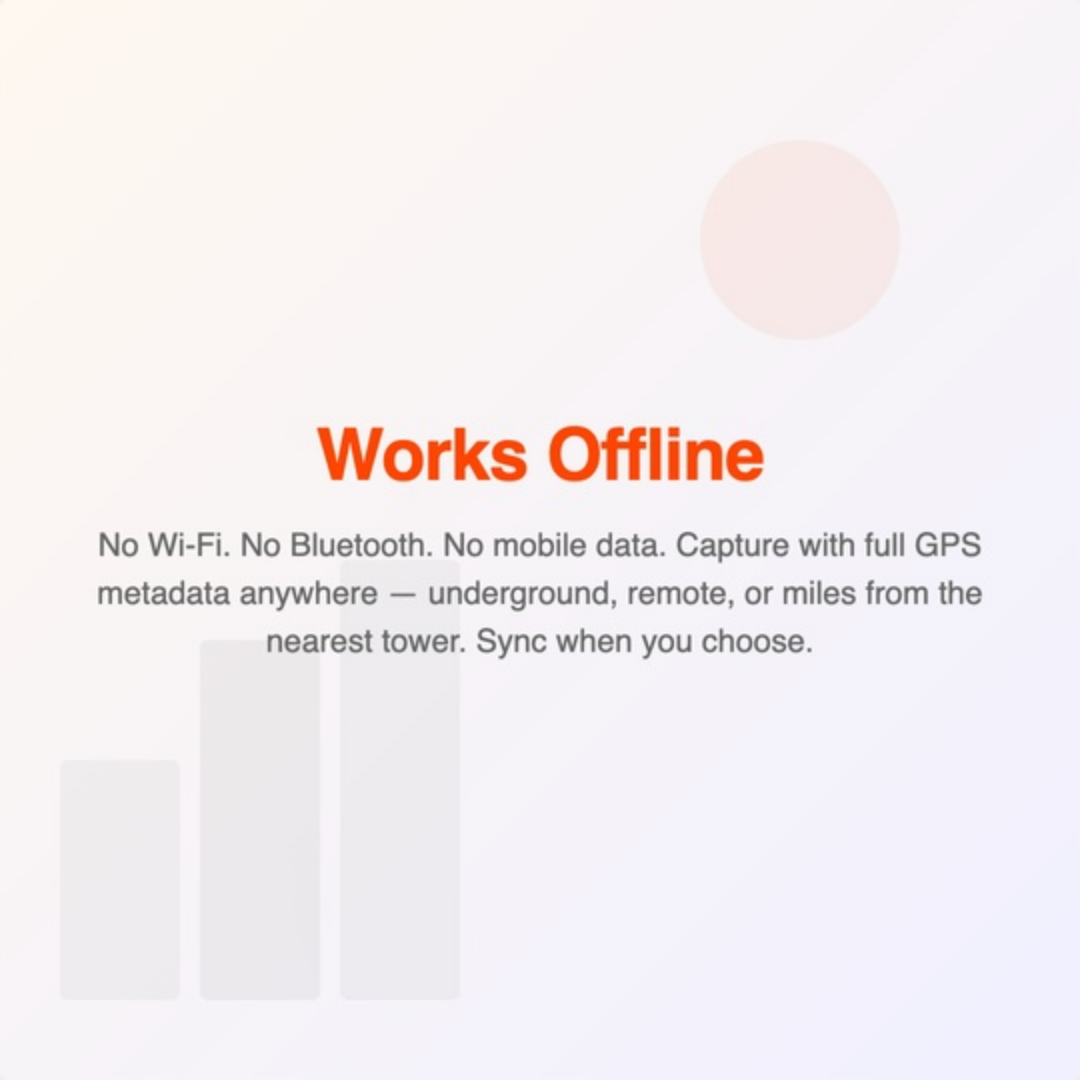

- ✓ Receipt and invoice photography with timestamps
