

Preserver for Compliance Officers

Evidence-grade records, audit logs and regulatory documentation with GPS and timestamp verification.

Why **Compliance Officers** Need **Preserver**

Proof of when and where matters in every industry. Compliance Officers professionals need irrefutable records — automatic timestamps and GPS on every capture.

The Problem

Documentation depends on connectivity. No signal means no record. No timestamp means no credibility. For compliance officers work in the field, proof is everything — and most tools can't deliver it.

How Preserver Helps

- ✓ Audit trail documentation with timestamps
- ✓ Compliance inspection photos with GPS coordinates
- ✓ Regulatory evidence capture with embedded metadata
- ✓ Works offline in buildings without signal
- ✓ Court-ready timestamped records

The Insight

Every compliance officers professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking. No signal needed.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — remote fields, underground, forests, or miles from the nearest tower.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For every compliance officers professional who needs proof of when and where.
