

Preserver for Family History

Voice memoirs and location-tagged family history records
for future generations.

Why **Family History** Need Preserver

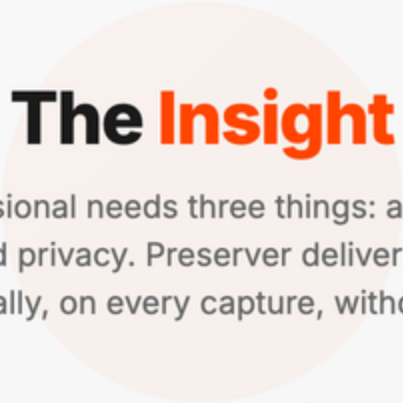

Voice memoirs, photo archives and location-tagged family history records.... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. family history professionals need proof — not promises.

How Preserver Helps

- ✓ Voice memoir recordings with timestamps
- ✓ Photo archives with GPS location tags
- ✓ Place-based family history records
- ✓ Works offline at historical sites and family properties
- ✓ Private — no data sold or shared

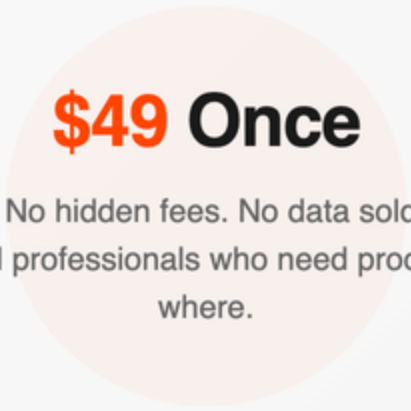

The Insight

Every professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

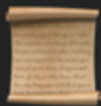

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all professionals who need proof of when and where.
