

Preserver for Family Records

Capture life's moments with proof of time and place — a private family record.

Why **Family Records** Need Preserver

Every family has moments worth preserving with proof of exactly when and where they happened. Preserver provides a priva... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal?
No record. No timestamp? No credibility. Family Records
professionals need proof — not promises.

How Preserver Helps

- ✓ Family milestone records with timestamps and GPS
- ✓ Private family photo and voice archives
- ✓ Works offline anywhere in the world
- ✓ No data sold or shared
- ✓ Captures the proof that this moment happened here, now

The Insight

Every family records professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all family records professionals who need proof of when and where.
