

Preserver for Home Renovation

Before/after photos with timestamps for insurance and resale.

Why Home Renovation Need Preserver

Before and after photos with timestamps protect homeowners and contractors alike.... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. home renovation professionals need proof — not promises.

How Preserver Helps

- ✓ Before/after photos with timestamps and GPS
- ✓ Contractor work progress records
- ✓ Insurance and valuation documentation
- ✓ Defect and warranty evidence
- ✓ Works offline on building sites

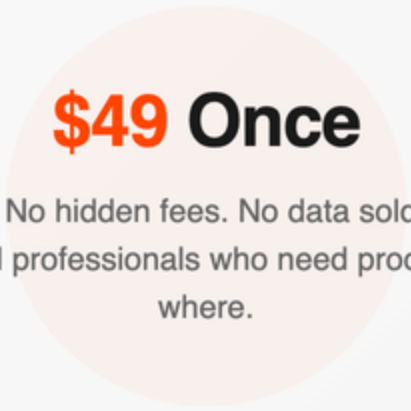

The Insight

Every professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all professionals who need proof of when and where.
