

Preserver for Legal Professionals

Site visit notes and timestamped observation records.

Why **Legal Professionals** Need **Preserver**

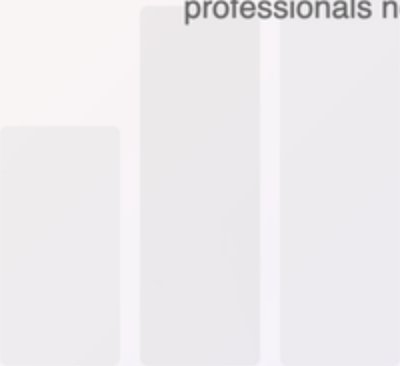

Site visits and evidence documentation benefit from automatic GPS and timestamp metadata. Preserver provides a private, ...
Time, date and GPS on every capture — no signal needed.

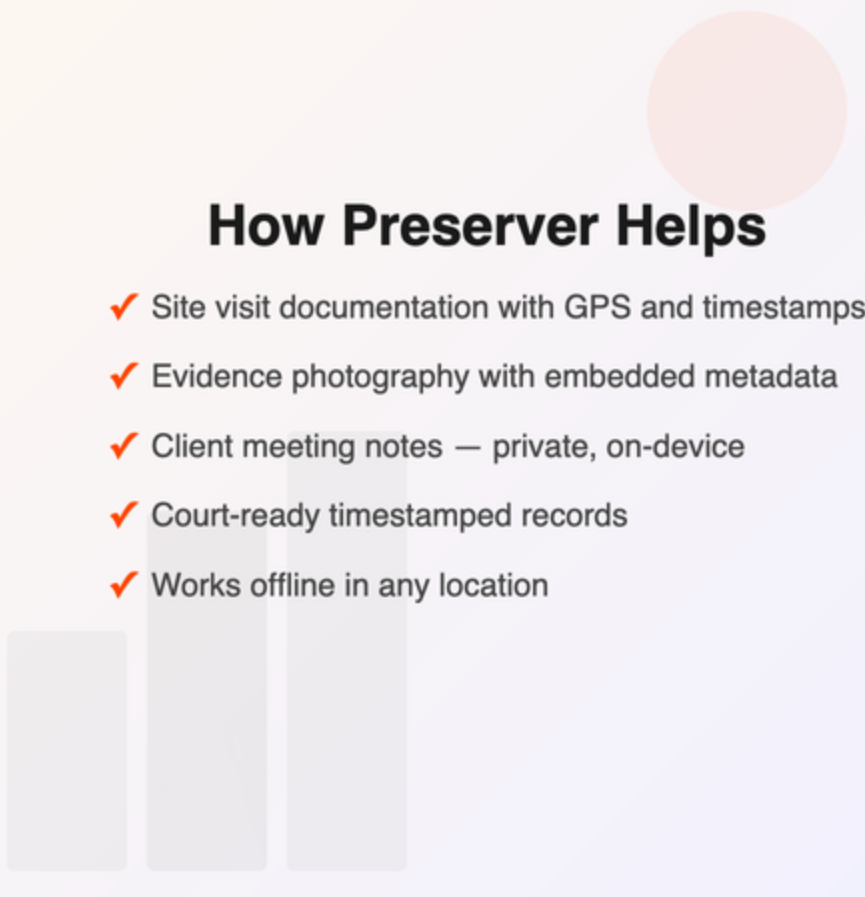

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. Legal Professionals need proof — not promises.

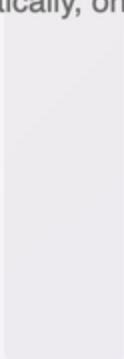

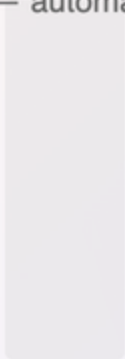

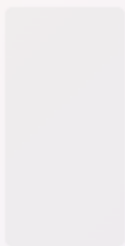

How Preserver Helps

- ✓ Site visit documentation with GPS and timestamps
- ✓ Evidence photography with embedded metadata
- ✓ Client meeting notes — private, on-device
- ✓ Court-ready timestamped records
- ✓ Works offline in any location

The Insight

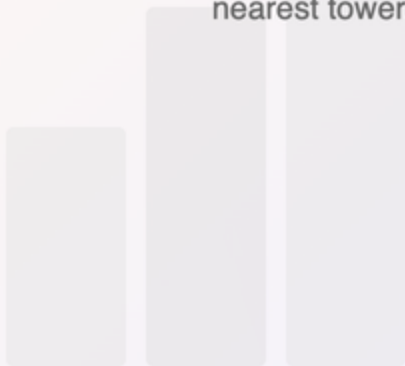

Every legal professionals professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

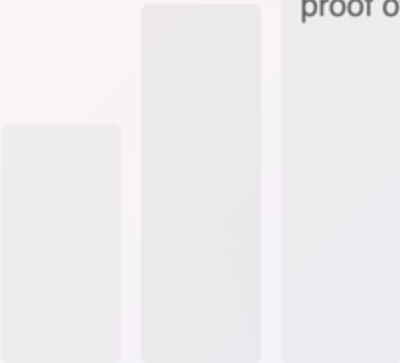

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all legal professionals who need proof of when and where.
