

Preserver for Market Researchers

Field interview notes and GPS-tagged research locations.

Why Market Researchers Need Preserver

Field market research benefits from GPS-tagged interview locations and observation records. Preserver provides a simple ... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal?

No record. No timestamp? No credibility. Market

Researchers professionals need proof — not promises.

How Preserver Helps

- ✓ Field interview notes with GPS location
- ✓ Consumer observation records with timestamps
- ✓ Location-tagged research data
- ✓ Works offline at events and in buildings
- ✓ Private — no data shared without consent

The Insight

Every market researchers professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all market researchers professionals who need proof of when and where.
