

Preserver for Mechanics

Vehicle inspection records, repair documentation and
timestamped before/after photos for customer
transparency.

Why **Mechanics** Need Preserver

Proof of when and where matters in every industry. Mechanics professionals need irrefutable records — automatic timestamps and GPS on every capture.

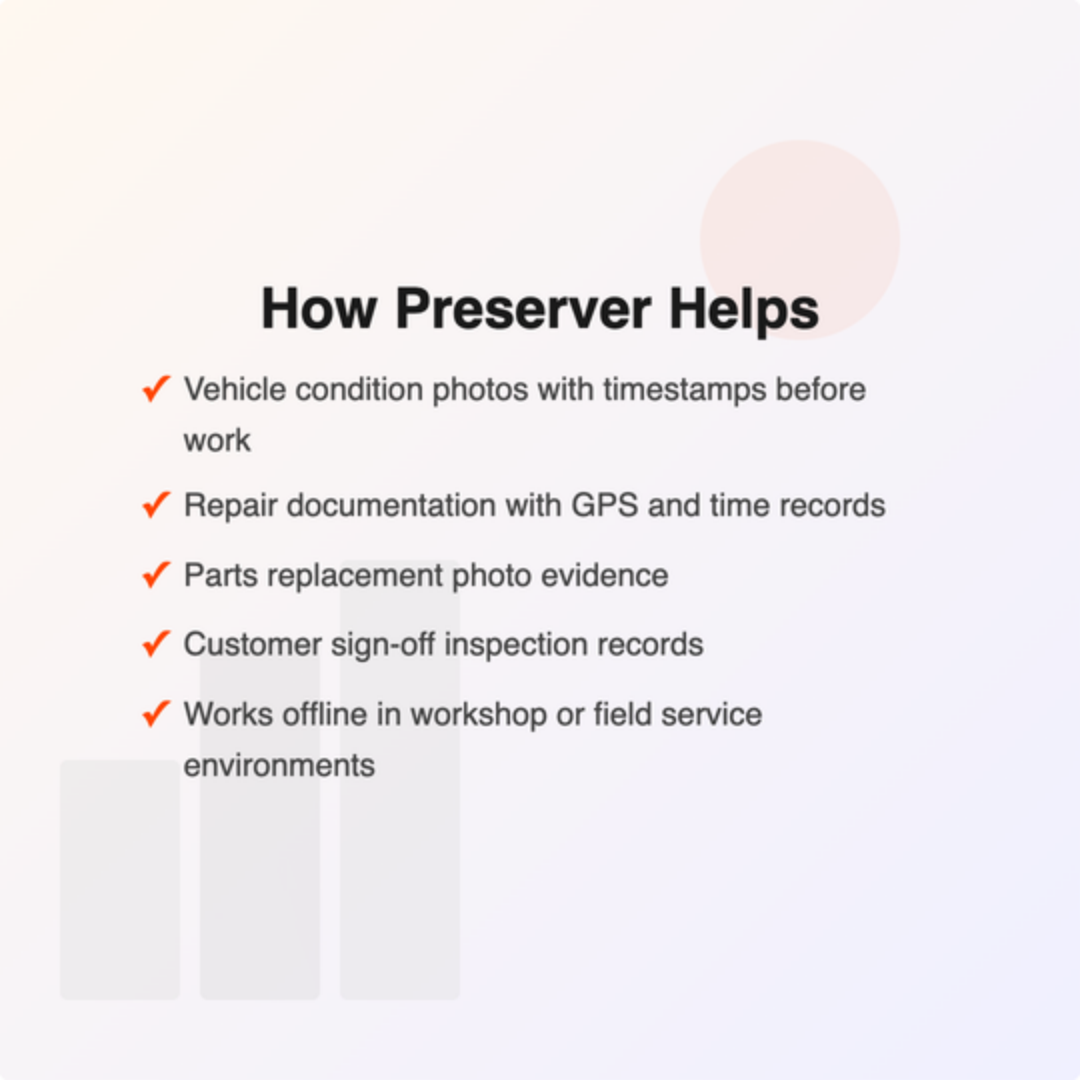

The Problem

Documentation depends on connectivity. No signal means no record. No timestamp means no credibility. For mechanics work in the field, proof is everything — and most tools can't deliver it.

How Preserver Helps

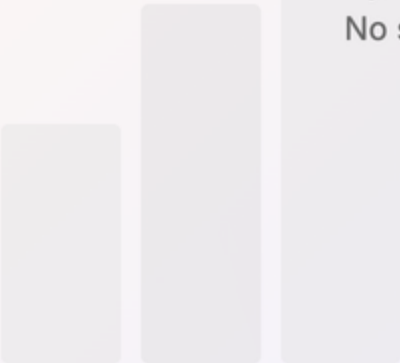

- ✓ Vehicle condition photos with timestamps before work
- ✓ Repair documentation with GPS and time records
- ✓ Parts replacement photo evidence
- ✓ Customer sign-off inspection records
- ✓ Works offline in workshop or field service environments

The Insight

Every mechanics professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

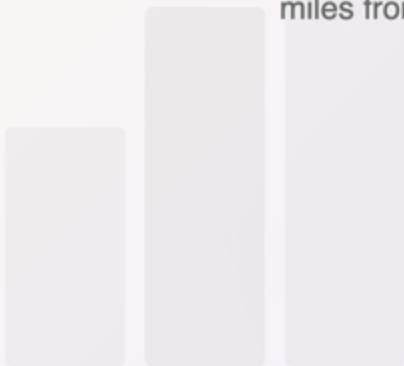

No signal needed.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — remote fields, underground, forests, or miles from the nearest tower.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For every mechanics professional who needs proof of when and where.
