

Preserver for Property Managers

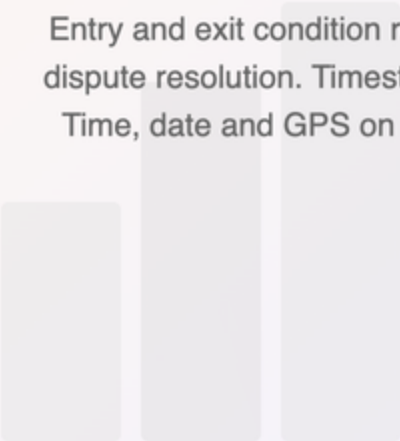

Entry/exit condition reports — the definitive tenant dispute record.

Why **Property Managers** Need **Preserver**

Entry and exit condition reports are the foundation of tenancy dispute resolution. Timestamped photos with GPS coordinates...
Time, date and GPS on every capture — no signal needed.

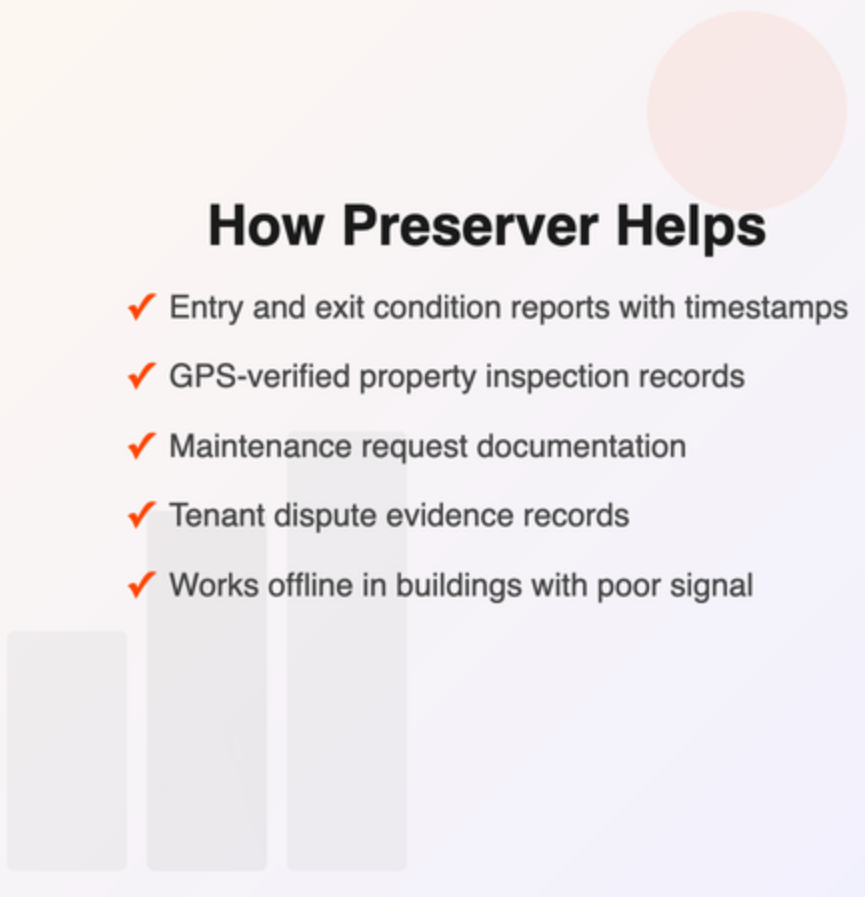

The Problem

Most documentation depends on connectivity. No signal? No record. No timestamp? No credibility. Property Managers professionals need proof — not promises.

How Preserver Helps

- ✓ Entry and exit condition reports with timestamps
- ✓ GPS-verified property inspection records
- ✓ Maintenance request documentation
- ✓ Tenant dispute evidence records
- ✓ Works offline in buildings with poor signal

The Insight

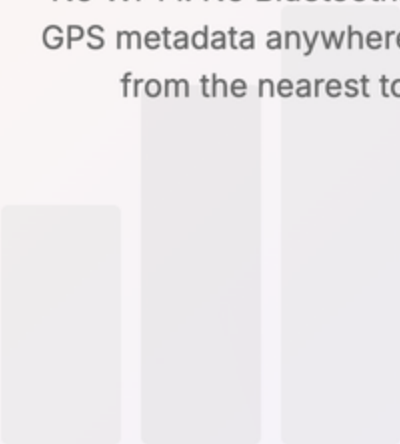

Every property managers professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

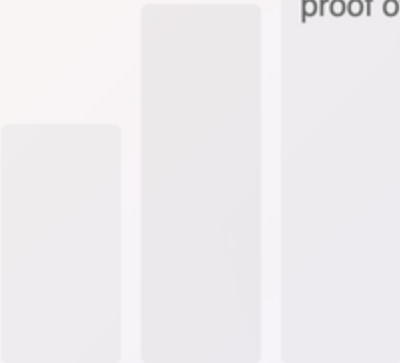

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all property managers professionals who need proof of when and where.
