

Preserver for Security Officers

Patrol logs, incident reports and GPS-verified site inspection records.

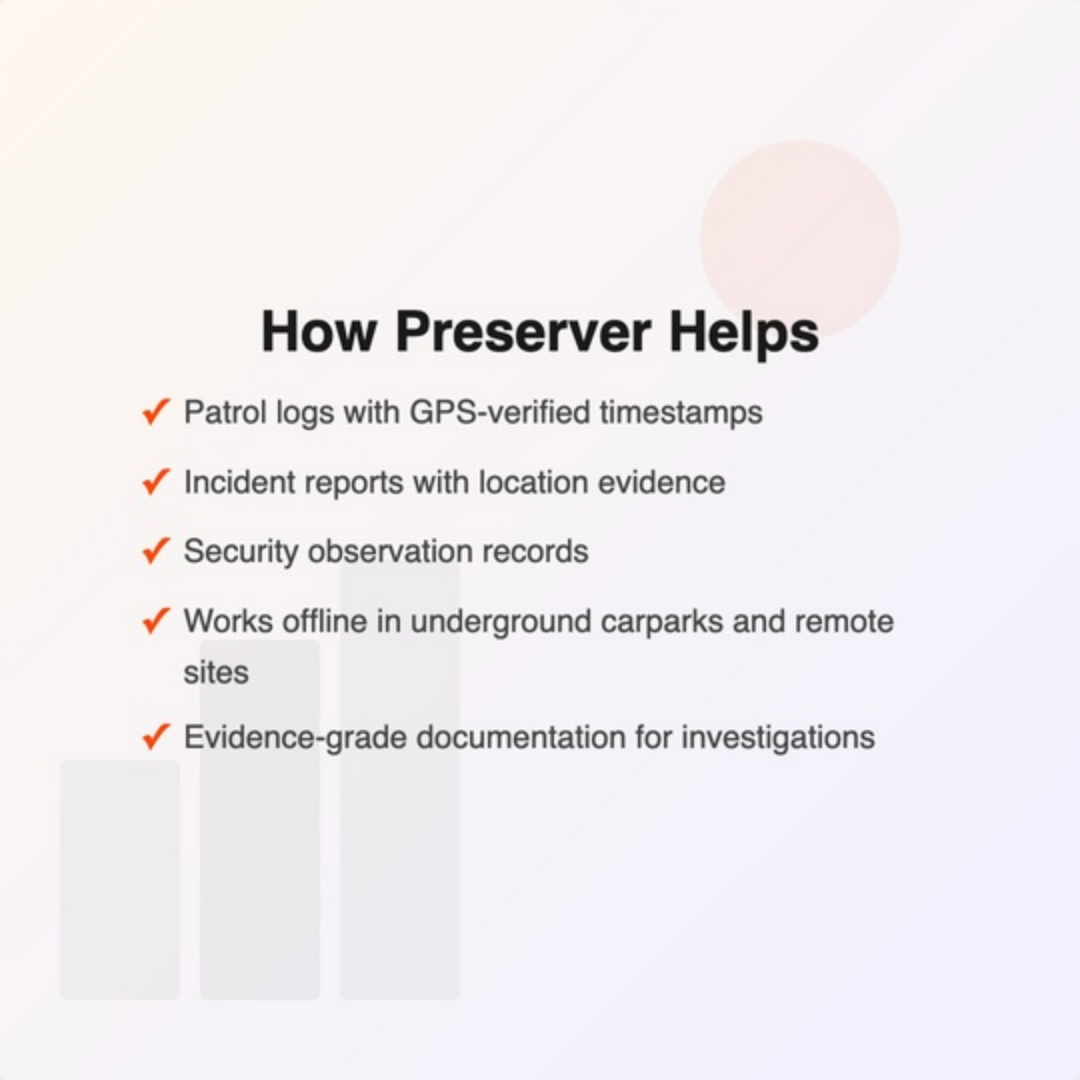

Why **Security Officers** Need Preserver

Security patrol logs and incident reports require verifiable timestamps and location records. Preserver provides GPS-ver... Time, date and GPS on every capture — no signal needed.

The Problem

Most documentation depends on connectivity. No signal?
No record. No timestamp? No credibility. Security Officers
professionals need proof — not promises.

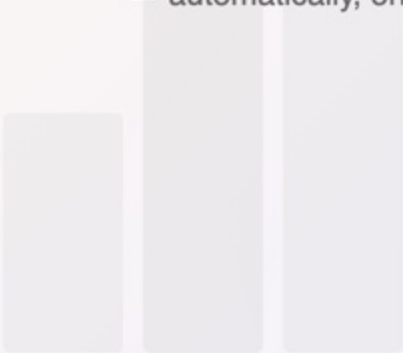

How Preserver Helps

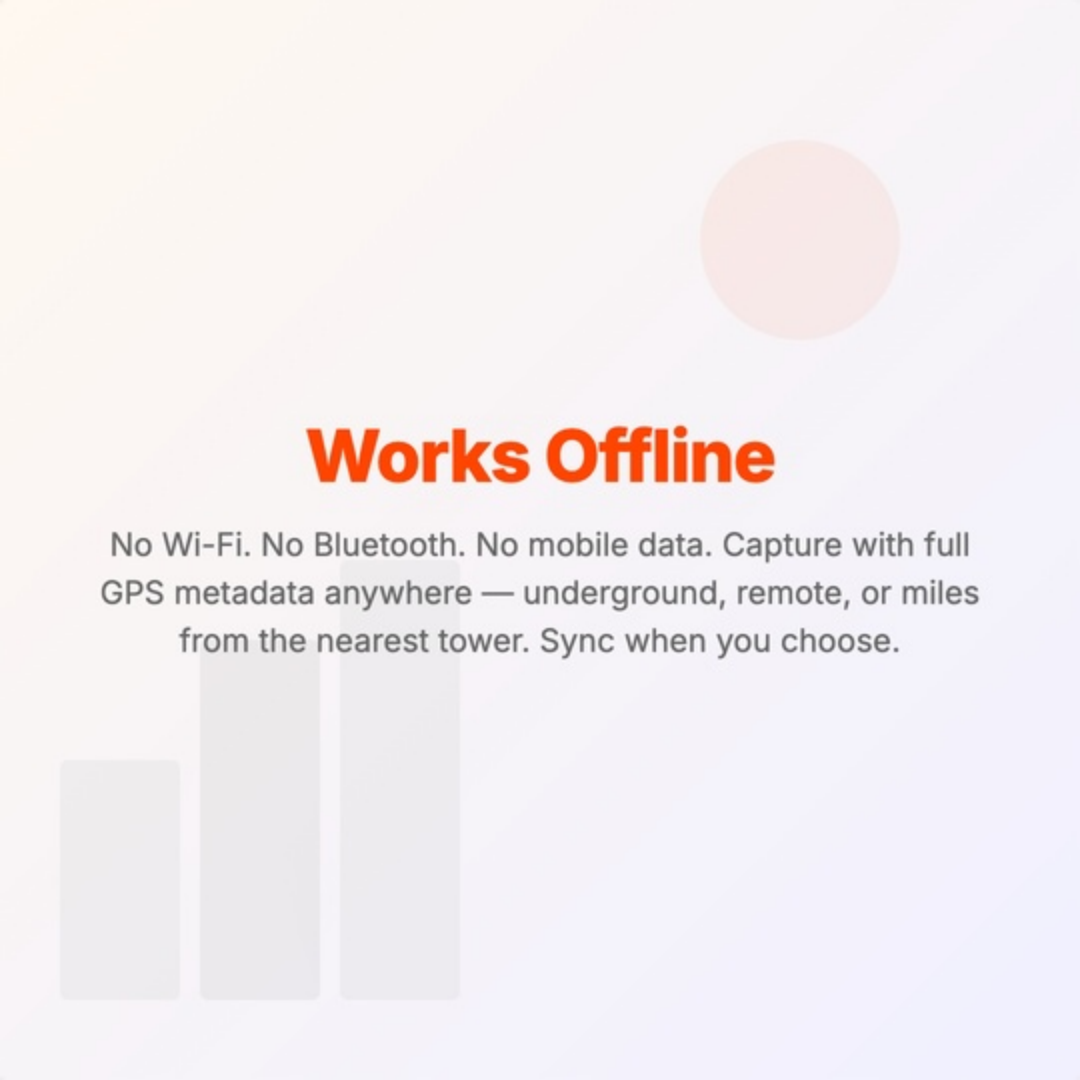

- ✓ Patrol logs with GPS-verified timestamps
- ✓ Incident reports with location evidence
- ✓ Security observation records
- ✓ Works offline in underground car parks and remote sites
- ✓ Evidence-grade documentation for investigations

The Insight

Every security officers professional needs three things: a timestamp, a location, and privacy. Preserver delivers all three — automatically, on every capture, without asking.

Works Offline

No Wi-Fi. No Bluetooth. No mobile data. Capture with full GPS metadata anywhere — underground, remote, or miles from the nearest tower. Sync when you choose.

\$49 Once

No subscription. No hidden fees. No data sold. One purchase, forever. For all security officers professionals who need proof of when and where.
